M28 - HOW TO JOIN

Updated 07-21-2020

A committed fellowship of pastors, missionaries and ministry leaders, dedicated to helping churches disciple the nations.

M28 Alliance is an association of churches and ministries that believe they are called to serve Jesus Christ together in a common bond of Christian mission and unity. Churches and ministries become part of the Alliance through the representation of the leaders of that organization. M28 Alliance has a vision to help churches disciple the nations.

The Leadership of M28 Alliance is committed to:

1. **Calling Courageously** – defining and upholding an unapologetically Biblical standard for following Christ in our culture
2. **Equipping Strategically** – providing resources, training and conferences
3. **Supporting Lovingly** – through creating supportive leadership community, personal coaching and encouragement

When recognized leaders for that church or ministry, including all ordained or licensed ministers, have indicated a desire for the organization to be part of M28, and when the steps for joining have been completed, the organization will be accepted as a member in good standing of M28 Alliance.

A church or ministry becomes a member of M28 Alliance when its leaders have committed to investing in M28 through:

1. **Initiating** – Meet with an M28 Board member for an initial interview, explanation and assessment.
2. **Joining** – Read, agree with and sign the *M28 Alliance Covenant*, as well as affirming and agreeing with the *M28 Statement of Faith*, *M28 Core Values* and *M28 Biblical Understandings* documents.
3. **Connecting** – Join an M28 Oversight Ministry to become part of a relational circle of leaders (Talk to M28 Board members about this).
4. **Supporting** – Give 10% of your church or ministry income to the M28 Alliance.
5. **Participating** – Commit to faithful involvement in M28 events at every level: leadership events, conferences and retreats for leaders and church members.

If you desire to join the M28 Alliance, please contact one of our M28 Board Members to schedule an initial interview and assessment.
